

FUNDAMENTALS OF GRADUATE ECONOMICS

MONDAY 22ND TO FRIDAY 26TH JULY 2024

- Lecture
- Tutorial Group
- Meal / Break
- Independent Study

MON

22nd July

TUE

23rd July

WED

24th July

THU

25th July

FRI

26th July

	MON 22nd July	TUE 23rd July	WED 24th July	THU 25th July	FRI 26th July
MORNING ↓	09:00	Coffee	Coffee	Coffee	Coffee
	09:30	Mathematical Analysis (Inés)	Mathematical Analysis (Inés)	Introduction to Linear Regression (James)	Dealing with Endogeneity (James)
	11:00	Break	Break	Break	Break
	11:30	Mathematical Analysis (Inés)	Mathematical Analysis (Inés)	Introduction to Statistical Inference (James)	Introduction to Instrumental Variables (James)
AFTERNOON ↓	13:00	Lunch	Lunch	Lunch	Lunch
	14:00	Independent Study	Independent Study	Independent Study	Dealing with Endogeneity Introduction to Instrumental Variables (Tutorial)
	15:00	Mathematical Analysis (Tutorial)	Mathematical Analysis (Tutorial)	Probability Theory and Introduction to Statistical Inference (Tutorial) Introduction to Linear Regression More on Regression: Inference and Nonlinearities (Tutorial)	Send Off
EVENING ↓	17:00	Oxford Activity or Free Time	Oxford Activity or Free Time	Oxford Activity or Free Time	Oxford Activity or Free Time
	19:00			Formal Dinner
